## LISTER LOVE

---

Back in the day, all sorts of mouthwashes were used to keep the mouth inviting. Most of those had (oh and still do have) known carcinogens as key ingredients. So for my honey, I make him this super easy concoction that keeps him kiss-able and disease-free! Don't you love someone enough too?

### Ingredients

- 1 small glass jar filled with water
- 2-5 drops of Young Living Peppermint Essential Oil
